“ *Beautiful Dreams was purchased for the family of Arnold William Buttner.*

“ *My heartfelt sympathy goes out to all the Buttner family. Even though I was very small, I can recall your dad as a wonderful person who was always smiling, laughing and joking with your mom and all of you. He was small but a mighty force in accomplishing whatever he set out to do. I remember lining up with all the Knolls neighborhood kids forming an assembly line to empty the dirt from the basement so he could pour a floor. When the dirt was gone, I remember him shirtless out there hand cranking (it seemed like the whole summer from morning till dark) the cement mixer to pour the floor. I also remember your parents inviting most of Almargo into your home to watch (you were the “rich” ones with a tv!) the Apollo 11 moon walk. Even though our paths changed when your place was sold, contact was never lost. Your parents were such wonderful people with so much love. They have gifted us with great memories and will be/are sorely missed. Wishing you peace and laughter as you celebrate his wonderfully gentle spirit as well as your mom’s and Barb’s. God bless all of you!*

“ Growing up in Flushing,NY I remember sharing my birthday July 25 with my neighbors in the attached homes we lived in and one was Arnold Buttner. I remember him loving bowling and sitting on the front porch with his wife Emmy. May all find peace in memories.
