

Brian S. Dietrick

October 6, 1961 - December 29, 2019

Brian Stewart Dietrick, 58, of Boynton Beach FL passed away on Sunday, December 29, 2019 at Delray Medical Center following a long illness. Brian was born in Amsterdam, NY on October 6, 1961. He was predeceased by his father James Dietrick on August 2, 2017, sister in law Cyndie Dietrick on November 20, 2018, and in laws Leo and Armida Kosinski. Brian is survived by his wife Jennifer and son Erik of Boynton Beach, FL, mother Jacqueline of Boynton Beach FL, sister Anne (Jim) Maxwell of Lantana, FL, and brothers James of Boynton Beach, FL and Mark (Christine) of Hagaman, NY , sister in law Lenora (Kosinski) Crook, brother in laws Bob Crook of Raleigh, NC, and Ed Kosinski of Tribes Hill, NY. Loving nieces, nephews, aunts, uncles, cousins, and a multitude of friends.

Brian was a 1979 graduate of Amsterdam High School. He played a valued role in his family business until moving to Florida in 1999. He was so fortunate to find another “work family” for the past 20 years as Manager of Water Operations for the Town of Gulfstream, FL. The relationships that Brian built here were evident with the support shared over the past 4 years of his illness.

Brian married the love of his life, Jennifer Kosinski, on September 27, 1986. Their marriage would grow to conquer any and all challenges that confronted them over the past 33 years. The love shared between Brian, Jen, and Erik are what encouraged him to keep pushing through his courageous battle with cancer.

Brian was successful in all aspects of life, but, his most meaningful achievements are measured by the relationships and love that came so naturally for him. His sense of humor will be remembered for all who were fortunate enough to know him. The world was truly a better place with Brian in it.

“ Jennifer so sorry to hear of Brian's passing. I'll always remember what great neighbors you were and all the laughs and conversations we shared standing on the street corner in Rockton. May all your wonderful memories bring you and your son comfort and peace. God bless you and keep you strong.

“ I am so sorry to hear of Brians passing. I often thought of Brian after leaving Almor in 1995. He always had a smile on his face, even when things were not going as planned. Jimmy Jr and Mark were always hurried but Brian always had a joke to tell while we loaded the truck. He also caught me taking my daily lunch time naps across the front seat of the truck. I can also remember the times Brian picked me up from my house in the middle of the night. Trying to harvest a trophy deer for the table. That never happened while I was with them. I as an employee remember Brian from 25 years ago. I am sure that he is missed by all. Rest in Peace Brian.

“ Brian attended Woodrow Wilson Elementary School in Amsterdam, New York which is where we met - kindergarten, I believe. I will always remember how much he enjoyed dodgeball (especially getting people out) in the Woodrow Wilson School gym on Friday afternoons. Lots of cheering and celebration!

Another cherished memory is the day Brian sat in my father's wheelbarrow (on Sloane Avenue) and we (our classmates) pushed him around the neighborhood while hysterically laughing. I can't even remember how or why these antics began.

Gone too soon, sending my love, support and prayers to Brian's family...

“ I always called Brian sunshine. No matter what we were always laughing. We will miss all your stories and the kind things you did for everyone. Scratching Lotto tickets will never be the same without you. Miss you Brian.

“ Dearest Brother, No matter what I write here will express the friendship laughs, tears and LOVE we shared. From the kickball games in the backyard and I would get you out. You would get so mad you would whip a apple at me, then I would beat you up,. I would give anything under the stars to play a kickball game with you again. The days on the lake with the boats, we had so many laughs so much fun together. The hunting trips in the trailers. We would freeze our asses off but it didnt matter because we were together. From Chet having a baby to fudge knuckles, I think that is the hardest I ever laughed. I came here in June, gave up everything I had in life and really wasnt quite sure why. Now the answer is clear. I got to spend 6 months of quality time with my brother. Bri I will do my very best to help, support and Love Jen and Erik the best I know how. I could write and write to you my dearest brother . I pray to God you know you will be in my heart in my mind in my prayers until the Good Lord allows our spirits to cross paths again. Until then Bri. Love and Miss You.
